

CHAPTER 22

MANDATED POLICIES

ARTICLE I – IDENTITY THEFT

22-1-1 PROGRAM ADOPTION. The Village developed this Identity Theft Prevention Program pursuant to the Federal Trade Commission’s Red Flags Rule, which implements Section 114 of the Fair and Accurate Credit Transactions of 2003. 16 C.F.R. § 681.2. This Program was developed with oversight and approval of the Village. After consideration of the size and complexity of the Utility’s operations and account systems, and the nature and scope of the Utility’s activities, the Village Board determined that this Program was appropriate for the Village, and therefore approved this Program on February 9, 2009.

22-1-2 PROGRAM PURPOSE AND DEFINITIONS.

(A) **Fulfilling Requirements of the Red Flags Rule.** Under the Red Flag Rule, every financial institution and creditor is required to establish an “Identity Theft Prevention Program” tailored to its size, complexity and the nature of its operation. Each program must contain reasonable policies and procedures to:

- (1) Identify relevant Red Flags for new and existing covered accounts and incorporate those Red Flags into the Program;
- (2) Detect Red Flags that have been incorporated into the Program;
- (3) Respond appropriately to any Red Flags that are detected to prevent and mitigate Identity Theft; and
- (4) Ensure the Program is updated periodically, to reflect changes in risks to customers or to the safety and soundness of the creditor from Identity Theft.

(B) **Red Flags Rule Definitions Used in this Program.** The Red Flags Rule defines “Identity Theft” as “fraud committed using the identifying information of another person” and a “Red Flag” as “a pattern, practice, or specific activity that indicates the possible existence of Identity Theft.”

According to the Rule, a municipal utility is a creditor subject to the Rule requirements. The Rule defines creditors “to include finance companies, automobile dealers, mortgage brokers, utility companies, and telecommunications companies. Where non-profit and government entities defer payment for goods or services, they, too, are to be considered creditors.”

All the Utility’s accounts that are individual utility service accounts held by customers of the utility whether residential, commercial or industrial are covered by the Rule. Under the Rule, a “covered account” is:

- (1) Any account the Utility offers or maintains primarily for personal, family or household purposes, that involves multiple payments or transactions; and
- (2) Any other account the Utility offers or maintains for which there is a reasonably foreseeable risk to customers or to the safety and soundness of the Utility from Identity Theft.

“Identifying information” is defined under the Rules as “any name or number that may be used, alone or in conjunction with any other information, to identify a specific person,” including: name, address, telephone number, social security number, date of birth, government issued driver’s license or identification number, alien registration number, government passport number, employer or taxpayer identification number, unique electronic identification number, computer’s Internet Protocol address, or routing code.

22-1-3 IDENTIFICATION OF RED FLAGS. In order to identify relevant Red Flags, the Utility considers the types of accounts that it offers and maintains, the methods it provides to open its accounts, the methods it provides to access its accounts, and its previous experiences with Identity Theft. The Utility identifies the following red flags, in each of the listed categories:

- (A) **Notifications and Warnings from Credit Reporting Agencies; Red Flags.**
 - (1) Report of fraud accompanying a credit report;
 - (2) Notice or report from a credit agency of a credit freeze on a customer or applicant;
 - (3) Notice or report from a credit agency of an active-duty alert for an applicant; and
 - (4) Indication from a credit report of activity that is inconsistent with a customer's usual pattern or activity.
- (B) **Suspicious Documents; Red Flags.**
 - (1) Identification document or card that appears to be forged, altered or inauthentic;
 - (2) Identification document or card on which a person's photograph or physical description is not consistent with the person presenting the document;
 - (3) Other document with information that is not consistent with existing customer information (such as if a person's signature on a check appears forged); and
 - (4) Application for service that appears to have been altered or forged.
- (C) **Suspicious Personal Identifying Information; Red Flags.**
 - (1) Identifying information presented that is inconsistent with other information the customer provides (example: inconsistent birth dates);
 - (2) Identifying information presented that is inconsistent with other sources of information (for instance, an address not matching an address on a credit report);
 - (3) Identifying information presented that is the same as information shown on other applications that were found to be fraudulent;
 - (4) Identifying information presented that is consistent with fraudulent activity (such as an invalid phone number or fictitious billing address);
 - (5) Social security number presented that is the same as one given by another customer;
 - (6) An address or phone number presented that is the same as that of another person;
 - (7) A person fails to provide complete personal identifying information on an application when reminded to do so (however, by law social security numbers must not be required); and
 - (8) A person's identifying information is not consistent with the information that is on file for the customer.
- (D) **Suspicious Account Activity or Unusual Use of Account; Red Flags.**
 - (1) Change of address for an account followed by a request to change the account holder's name;
 - (2) Payments stop on an otherwise consistently up to date account;
 - (3) Account used in a way that is not consistent with prior use (example: very high activity);
 - (4) Mail sent to the account holder is repeatedly returned as undeliverable;
 - (5) Notice to the Utility that a customer is not receiving mail sent by the Utility;
 - (6) Notice to the Utility that an account has unauthorized activity;
 - (7) Breach in the Utility's computer system security; and
 - (8) Unauthorized access to or use of customer account information.

(E) **Alerts From Others, Red Flag.**

- (1) Notice to the Utility from a customer, identity theft victim, law enforcement or other person that it has opened or is maintaining a fraudulent account for a person engaged in Identity Theft.

22-1-4 DETECTING RED FLAGS.

(A) **New Accounts.** In order to detect any of the Red Flags identified above associated with the opening of a **new account**, Utility personnel will take the following steps to obtain and verify the identity of the person opening the account:

- (1) Require certain identifying information such as name, date of birth, residential or business address, principal place of business for an entity, driver's license or other identification;
- (2) Verify the customer's identity (for instance, review a driver's license or other identification card);
- (3) Review documentation showing the existence of a business entity; and
- (4) Independently contact the customer.

(B) **Existing Accounts.** In order to detect any of the Red Flags identified above for an **existing account**, Utility personnel will take the following steps to monitor transactions with an account:

- (1) Verify the identification of customers if they request information (in person, via telephone, via facsimile, via email);
- (2) Verify the validity of requests to change billing addresses; and
- (3) Verify changes in banking information given for billing and payment purposes.

22-1-5 PREVENTING AND MITIGATING IDENTITY THEFT.

(A) **Prevent and Mitigate.** In the event Utility personnel detect any identified Red Flags, such personnel shall take one or more of the following steps, depending on the degree of risk posed by the Red Flag:

- (1) Continue to monitor an account for evidence of Identity Theft;
- (2) Contact the customer;
- (3) Change any passwords or other security devices that permit access to accounts;
- (4) Not open a new account;
- (5) Close an existing account;
- (6) Reopen an account with a new number;
- (7) Notify the Program Administrator for determination of the appropriate step(s) to take;
- (8) Notify law enforcement; or
- (9) Determine that no response is warranted under the particular circumstances.

(B) **Protect Customer Identifying Information.** In order to further prevent the likelihood of Identity Theft occurring with respect to Utility accounts, the Utility will take the following steps with respect to its internal operating procedures to protect customer identifying information:

- (1) Ensure that its website is secure or provide clear notice that the website is not secure;
- (2) Ensure complete and secure destruction of paper documents and computer files containing customer information;
- (3) Ensure that office computers are password protected and that computer screens lock after a set period of time;
- (4) Keep offices clear of papers containing customer information;
- (5) Request only the last 4 digits of social security numbers (if any);
- (6) Ensure computer virus protection is up to date; and

- (7) Require and keep only the kinds of customer information that are necessary for utility purposes.

22-1-6 PROGRAM UPDATES. The Program Administrator will periodically review and update this Program to reflect changes in risks to customers and the soundness of the Utility from Identity Theft. In doing so, the Program Administrator will consider the Utility's experiences with Identity Theft situations, changes in Identity Theft methods, changes in Identity Theft detection and prevention methods, and changes in the Utility's business arrangements with other entities. After considering these factors, the Program Administrator will determine whether changes to the Program, including the listing of Red Flags, are warranted. If warranted, the Program Administrator will update the Program or present the Village Board with his or her recommended changes and the Village Board will make a determination of whether to accept, modify or reject those changes to the Program.

22-1-7 PROGRAM ADMINISTRATION.

(A) **Oversight.** Responsibility for developing, implementing and updating this Program lies with an Identity Theft Committee for the Utility. The Committee is headed by a Program Administrator who may be the head of the Utility or his or her appointee. Two or more other individuals appointed by the head of the Utility or the Program Administrator comprise the remainder of the committee membership. The Program Administrator will be responsible for the Program administration, for ensuring appropriate training of Utility staff on the Program, for reviewing any staff reports regarding the detection of Red Flags and the steps for preventing and mitigating Identity Theft, determining which steps of prevention and mitigation should be taken in particular circumstances and considering periodic changes to the Program.

(B) **Staff Training and Reports.** Utility staff responsible for implementing the Program shall be trained either by or under the direction of the Program Administrator in the detection of Red Flags, and the responsive steps to be taken when a Red Flag is detected.

(C) **Service Provider Arrangements.** In the event the Utility engages a service provider to perform an activity in connection with one or more accounts, the Utility will take the following steps to ensure the service provider performs its activity in accordance with reasonable policies and procedures designed to detect, prevent, and mitigate the risk of Identity Theft.

- (1) Require, by contract, that service providers have such policies and procedures in place; and
- (2) Require, by contract, that service providers review the Utility's Program and report any Red Flags to the Program Administrator.

(D) **Non-Disclosure of Specific Practices.** For the effectiveness of this Identity Theft Prevention Program, knowledge about specific Red Flag identification, detection, mitigation and prevention practices must be limited to the Identity Theft Committee who developed this Program and to those employees with a need to know them. Any documents that may have been produced or are produced in order to develop or implement this program that list or describe such specific practices and the information those documents contain are considered "security information" as defined in Minnesota Statutes Section 13.37 and are unavailable to the public because disclosure of them would be likely to substantially jeopardized the security of information against improper use, that use being to circumvent the Utility's Identity Theft prevention efforts in order to facilitate the commission of Identity Theft.

22-2-5 COMPLIANCE WITH FEDERAL LAW. If a federal law takes effect requiring any federal agency to establish a national unique patient health identifier program, the Village shall follow that law.

22-2-6 **EMBEDDED SOCIAL SECURITY NUMBERS.** Beginning immediately on the effective date of the Village's authorizing Ordinance, no officer or employee of the Village may encode or embed a Social Security Number in or on a card or document, including, but not limited to, using a bar code, chip, magnetic strip, RFID technology, or other technology, in place of removing the Social Security Number as required by this Policy.

22-2-8 **PENALTY.** Any person who violates any portion of this Article, as now or hereafter amended, shall be subject to a fine of not less than **One Hundred Dollars (\$100.00)** for the first such violation and a fine of not less than **Seven Hundred Fifty Dollars (\$750.00)** for each violation thereafter.

22-2-9 **AMENDMENT OF PRIVACY POLICY.** The Privacy Policy adopted in this Division and Chapter shall be subject to amendment from time to time by the Village Board as the Village Board shall deem necessary in its sole discretion in order to maintain the Village's compliance with the Illinois Identity Protection Act as now or hereafter amended.

22-2-10 **CONFLICT WITH STRICTER LAWS.** This Policy does not supersede any more restrictive law, rule, or regulation regarding the collection, use, or disclosure of Social Security Numbers.

[NOTE: This Policy is to comply with Public Act 096-9874 of the State of Illinois, cited as the Identity Protection Act, and codified as Title 30, Act 5, Section 1, et seq., as now or hereafter amended.]

(A) The Village Administrative Assistant is hereby designated to act as Freedom of Information Officer. The Officer shall receive requests submitted to the Village under the Freedom of Information Act, ensure that the Village responds to requests in a timely fashion, and issue responses under the Freedom of Information Act. The Freedom of Information officer shall develop a list of documents or categories of records that the Village shall immediately disclose upon request.

(B) Upon receiving a request for a public record, the Freedom of Information Officer shall:

- (1) Note the date the Village receives the written request;
- (2) Compute the date on which the period for response will expire and make a notation of that date on the written request;
- (3) Maintain an electronic or paper copy of the written request including all documents submitted with the request until the request has been complied with or denied; and
- (4) Create a file for the retention of the original request, a copy of the response, a record of written communications with the person making the request, and a copy of other communications regarding the request.

(C) The Freedom of Information Act officers shall successfully complete an electronic training curriculum to be developed by the Public Access Counselor in the office of the Attorney General of the State of Illinois and thereafter successfully complete an annual training program. Thereafter when a new Freedom of Information officer is designated by the Village, that person shall successfully complete the electronic training curriculum within **thirty (30) days** after assuming the position. Successful completion of the required training curriculum within the periods provided shall be a prerequisite to continue serving as a Freedom of Information officer.

22-3-3 PROCEDURES. The Village shall prominently display at the Village Clerk's office, display on its website, make available for inspection and copying, and send through the mail as requested, each of the following:

(A) A brief description of the Village, which will include, but not be limited to a block diagram giving its functional departments, the total amount of its operating budget, the number and location of all of its separate offices, the approximate number of full and part-time employees and the identification and membership of any board, commission, committee or council which operates in an advisory capacity relative to the operation of the Village, or which exercises control over its policies or procedures; and

(B) A brief description of the methods whereby the public may request information and public records, a directory designating the Freedom of Information officers, the address where request for public records should be directed, and the fees relating thereto.

22-3-4 REQUESTS TO INSPECT OR COPY. All requests to inspect or copy records or documents prepared, maintained or under the control of the Village shall be made in the following manner:

(A) All requests shall be in writing, shall state with reasonable particularity what records are to be inspected or copied, shall state whether the records are requested for a commercial

purpose, and shall be signed by the person making the request. The request may be, but is not required to be, submitted on a form provided by the Village.

(D) Each request for other than commercial purposes shall be granted or denied in writing within **five (5) business days** after its receipt by the Village, except as hereafter stated. The failure to grant or deny a request within **five (5) business days** shall operate as a denial, except as provided hereinbelow.

(E) The time limit set forth hereinabove may be extended for an additional **five (5) business days** by notice in writing to the person making the request of the **five (5) business days** extension. The notification shall state the reason(s) for the **five (5) business day's** extension and contain a date certain on which the requested record(s) will be available. The failure to grant or deny a request within the additional **five (5) business days** shall operate as a denial. The person making the request and the Village may agree in writing to extend the time for compliance for a period to be determined by the parties. If the person making the request and the Village agree to extend the period for compliance, a failure by the Village to comply with any previous deadlines shall not be treated as a denial of the request for the records.

(F) Charges for copies of records and/or documents shall be imposed in accordance with the following:

- (1) No fees shall be charged for the first **fifty (50) pages** of black and white, letter or legal sized copies requested.
- (2) **Fifteen Cents (\$0.15)** for one-sided page for each black and white, letter, legal sized or 11" x 17" copy requested.
- (3) **One Dollar (\$1.00)** for each certified copy requested.
- (4) **Ten Cents (\$0.10)** for each audio recording.

(G) It shall be the responsibility of the person making the request to pick up the requested documents at Village Hall. If the person making the request asks the Village to mail the documents, he or she shall provide the Village with his/her correct mailing address so as to efficiently process all requests. Copies of records requested to be mailed will be forwarded United States Certified Mail to the address provided. Pre-payment of **Two Dollars Fifty Cents (\$2.50)** per ounce shall be required.

(H) When a person requests a copy of a record maintained in an electronic format, the Village shall furnish it in the electronic format specified by the person making the request, if feasible. If it is not feasible to furnish the public records in the specified electronic format, then the Village shall furnish it in the format in which it is maintained by the Village, or in paper format at the option of the person making the request.

22-3-5 REQUEST FOR COMMERCIAL PURPOSES. The Village shall respond to a request for records to be used for a commercial purpose within **twenty-one (21) working days** after receipt. The response shall (1) provide to the person making the request an estimate of the time required by the Village to provide the records requested and an estimate of the fees to be charged, which the Village may require the person to pay in full before copying the requested documents, (2) deny the request pursuant to **one (1)** or more of the exemptions set out in the Freedom of Information Act, **5 ILCS 140/1 et seq.**, (3) notify the person making the request that the request is unduly burdensome and extend an opportunity to the person making the request to attempt to reduce the request to manageable portions, or (4) provide the records requested.

Unless the records are exempt from disclosure, the Village shall comply with a commercial request within a reasonable period considering the size and complexity of the request and giving priority to records requested for non-commercial purposes.

It is unlawful for a person to knowingly obtain a public record for a commercial purpose within disclosing that it is for a commercial purpose, and any person obtaining a public record for commercial purpose without disclosing that it is for a commercial purpose shall be fined in accordance with the Village Code.

22-3-6 FEES. The Village Clerk shall determine when the established fees are subject to waiver or reduction because the release of the requested information is in the public interest.

22-3-7 PUBLIC FILE. The Village Clerk shall establish and maintain a central file, open to the public, of all denials of requests for records which shall be indexed according to the exemption utilized to deny a request for records, and to the extent possible, according to the types of records requested.

22-3-8 GRANTING OR DENIAL OF REQUESTS. A request for all records within a category shall be granted unless the request constitutes an undue burden upon the Village. Prior to denying a request based upon the burdensome nature of the request, an opportunity to narrow the request to manageable proportions shall be provided. If the attempt to narrow the request fails, the request may be denied because compliance will unduly burden the operations of the Village and the burden outweighs the public interest in the information. The denial shall be in writing, specifying the reasons why compliance will be unduly burdensome and the extent to which compliance will so burden the operations of the Village. Repeated requests from the same person for the same records that are unchanged or identical to records previously provided are properly denied under the Freedom of Information Act shall be deemed unduly burdensome under this Section.

22-3-9 CERTAIN INFORMATION EXEMPT FROM INSPECTION AND COPYING. If any record exempt from disclosure contains material which is not exempt, the information which is exempt shall be deleted and the remaining information shall be available for inspection and copying.

22-3-10 NOTICE OF DENIAL OF REQUEST; APPEALS.
(A) If the Village denies the request, the Village shall notify the person making the request in writing of:
(1) the decision to deny the request;
(2) the reasons for the denial, including a detailed factual basis for the application of any exemption claim;
(3) the names and titles or positions of each person responsible for the denial;
(4) the right to review by the Public Access Counselor and the address and phone number for the Public Access Counselor; and
(5) the right to judicial review.

If an exemption is claimed, then the denial must include the specific reasons for the denial, including a detailed factual basis and a citation to support a legal authority.

(B) If the Village asserts an exemption under Subsection (1)(c) or (1)(f) of Section 7 of the Freedom of Information Act, it shall, within the time periods provided for Respondent to request, provide written notice to the person making the request and the Public Access Counselor of its intent to deny the request in whole or in part. The notice shall include:

- (1) a copy of the request for access to records;
- (2) the proposed response from the Village;
- (3) a detailed summary of the Village's basis for asserting its exemption.

If the Public Access Counselor determines that further inquiry is warranted, the procedures set forth in the Freedom of Information Act, as amended from time to time, regarding the review of denials shall be applicable. Times for response compliance by the Village to the request shall be tolled until the Public Access Counselor concludes his or her inquiry.

(B) **Testing Based on Reasonable Suspicion.** If there is a reasonable suspicion that any Village employee, paid or volunteer, has violated any of the prohibited actions covered by this policy, such employee may be required to undergo drug and/or alcohol testing. Reasonable suspicion exists if the facts and circumstances warrant a rational inference that an employee has violated any of the acts prohibited by this policy. Reasonable suspicion shall be based upon the following:

The employee will then be escorted to the testing facility or collection facility by a designated supervisor immediately.

After completing the test, the employee will be escorted to his/her residence or at the option of his/her supervisor to another location to await the test results, and the employee shall be off work with pay pending the results of the tests. Under no circumstances shall the employee be allowed to leave the work site or the test site driving his/her own vehicle or a Village vehicle.

Employees who test positive for either drugs or alcohol will be subject to disciplinary action, up to and including termination.

(C) **Random Testing.** Random drug testing shall be conducted during working hours. Employees will be selected at random for a drug test by a random drawing/lottery. The testing times and dates are unannounced and are with unpredictable frequency throughout the year.

After completing the test, the employee will return to work pending the results of the test.

Employees who test positive for drugs will be subject to disciplinary action, up to and including termination.

22-8-8 **CONSEQUENCES OF POSITIVE TEST RESULT OR REFUSAL TO COOPERATE.** Any employee who refuses to cooperate in testing or who fails a test or violates the Drug and Alcohol Policy shall be subject to disciplinary action, up to and including termination.

ARTICLE IX – POLICY PROHIBITING SEXUAL HARASSMENT

22-9-1 PROHIBITION ON SEXUAL HARASSMENT. It is unlawful to harass a person because of that person’s sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of this Village to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

22-9-2 DEFINITION OF SEXUAL HARASSMENT. This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

(A) Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made a term or condition of an individual’s employment, either explicitly or implicitly; or
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.

(B) Conduct which may constitute sexual harassment includes, but is not limited to:

- (1) **Verbal Harassment.** Sexual innuendoes, suggestive comments, insults, humor, jokes about: sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements of a sexual nature about other employees, even outside of their presence.
- (2) **Non-verbal Harassment.** Suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, “catcalls”, “smacking” or “kissing” noises.
- (3) **Visual.** Posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- (4) **Physical Harassment.** Touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- (5) **Textual/Electronic Harassment.** “Sexting” (electronically sending messages with sexual content, including pictures or video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/ video messages, intranet/on-line postings, blogs, instant messages and posts on social network websites like Facebook and Twitter).

(C) The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a “reasonable person.”

22-9-3 PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT.

(A) An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible

by clearly communicating his/her position to the offending employee, and his/her immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

(B) Any employee may report conduct which is believed to be sexual harassment, including the following:

- (1) **Electronic/Direct Communication.** If there is sexual harassment behavior in the workplace, the harassed employee should directly and clearly express his/her objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- (2) **Contact with Supervisory Personnel.** At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources, an ethics officer, the village manager or administrator, or the chief executive officer of the Municipality.
The employee experiencing what he/she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the Municipality will not be presumed to have knowledge of the harassment.
- (3) **Resolution Outside Municipality.** The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the Municipality. However, all municipal employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within **three hundred (300) days** of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must also be filed within **three hundred (300) days**.
- (4) **Allegations Made Against an Elected Official by Another Elected Official.** In addition to the methods of reporting included above, an elected official may request an independent review of a complaint of sexual harassment by another elected official. The request shall be made to the human resources director, the village manager or administrator or the chief elected official of the Village. The official receiving the request shall take immediate action in keeping with the procurement process of the Village to retain a qualified individual or entity for the independent review of the allegations of sexual harassment in violation of this policy. The outcome of the independent review shall be reported to the corporate authorities.

(C) Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the location), including, but not limited to, written records such as letters, notes, memos and telephone messages.

(D) All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the Municipality. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

22-9-4 PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT ALLEGATIONS.

(A) No municipal official, municipal agency, municipal employee or municipal office shall take any retaliatory action against any municipal employee or official due to a municipal employee's or official's:

- (1) Disclosure or threatened disclosure of any violation of this policy,
- (2) Providing information related to an investigation or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
- (3) Assistance with or participation in a proceeding to enforce the provisions of this policy.

(B) For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any municipal employee that is taken in retaliation for a municipal employee's or official's involvement in protected activity pursuant to this policy.

(C) No individual making a report will be retaliated against, even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

(D) Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (**5 ILCS 430/15-10**) provides whistleblower protection from retaliatory action, and this policy prohibits retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

- (1) Discloses or threatens to disclose to a supervisor or to a public body an activity, policy or practice of any officer, member, agency or other employee that the employee reasonably believes is in violation of a law, rule, or regulation; or
- (2) Provides information to or testifies before any public body conducting an investigation, hearing or inquiry into any violation of a law, rule or regulation by any officer, member, agency or other employee; or
- (3) Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act or this policy.

(E) Pursuant to the Whistleblower Act (**740 ILCS 174/15(a)**), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, before a legislative commission or committee or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule or regulation. (**740 ILCS 174/15(b)**).

(F) According to the Illinois Human Rights Act (**775 ILCS 5/6-101**), it is a civil rights violation for a person, or for two or more people to conspire to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted or participated in an investigation, proceeding or hearing under the Illinois Human Rights Act.

(G) An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – either due within **three hundred (300) days** of the alleged retaliation.

22-9-5 CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARASSMENT.

In addition to any and all other discipline that may be applicable pursuant to municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements, any person who violates this policy or the Prohibition on Sexual Harassment contained in **5 ILCS 430/5-65**, may be subject to a fine of up to **Five Thousand Dollars (\$5,000.00)** per offense, applicable disciplinary actions or discharge by the Municipality and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a

separate offense. Any discipline imposed by the Municipality shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

22-9-6 CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT. A false report is a report of sexual harassment made by an accuser to accomplish an outcome other than stopping sexual harassment or stopping retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to disciplinary action or discharge pursuant to applicable municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the Illinois State Police, a State's Attorney, the Attorney General or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to **Five Thousand Dollars (\$5,000.00)** against any person who intentionally makes a false, frivolous or bad faith allegation.

ARTICLE X – STANDARDS OF ETHICAL CONDUCT TO ADDRESS FRAUD, WASTE AND ABUSE

22-10-1 POLICY. In the spirit of sound and ethical governance and other applicable laws and regulations, the Village believes that the ethical conduct of those in public service is of utmost importance. This policy is set forth in order to address fraud, waste and abuse in Village government and establishes reasonable standards of ethical conduct for all Village employees and officers. It is the intent of this policy to establish minimum expectations relative to employee and officer behavior and conduct in the execution of their duties as representatives of the Village.

22-10-2 SCOPE. This policy applies to all Village employees and officers (hereinafter “employees”). This policy is not intended to be all-inclusive or address every possible eventuality or circumstance. Instead, it is intended to establish reasonable standards and provide guidance relative to the ethical conduct of Village employees while fulfilling the expectations of Village residents.

22-10-3 INTERPRETATION. This policy does not supplant any of the Village’s labor contracts or Memoranda of Understanding (MOUs). Should this policy conflict with any law, regulation, or labor contract of which the Village or its employees may be subject, that law, regulation, or contract shall take precedence. In the event this policy conflicts with any precedent or past practice of the Village, management will resolve that conflict by means consistent with established procedures or practices.

22-10-4 DEFINITIONS.

(A) **Fraud, Waste and Abuse.** Any illegal, wasteful, or improper activity involving Village assets or resources. It includes theft by means of deception, deceit or trickery; willful misrepresentation to obtain something of value; and the extravagant, careless or needless expenditure or consumption of Village resources, whether intentional or not.

Examples include but are not limited to using one’s authority to direct employees to perform non-Village related work; causing employees to work overtime without compensation; or using Village assets for non-Village business without proper permission.

Additional definitions of terms to fraud, waste and abuse include:

(E) **Asset.** Anything of value, whether tangible or intangible. Examples include, but are not limited to cash, tools, equipment, fuel, office supplies and time.

(F) **Conflict of Interest.** Any circumstance in which the interests, duties, obligations or activities of an employee or an employee’s immediate family member are in conflict or incompatible with the interests of the Village, the duties and obligations of the employee, or his or her capacity as an employee. Examples include but are not limited to: Village employees bidding on Village contracts; influencing Village policy or activities for personal gain; or disclosing confidential Village information to a friend or relative in order to assist them or benefit themselves.

- (J) **Reasonable Person.** Any person of average competence and ability to reason.
- (K) **Third Party.** Any person or entity other than an employee of the Village or the Village itself.

22-10-5 EXPECTATIONS. Village employees shall adhere to and uphold this policy both in practice and in spirit. It is expected that employees act in the public’s interest first and not their own. It is further expected that their behavior, both on the job and off, reflects positively on the Village, its reputation, and its employees. Pursuant to this policy, an employee’s duties and responsibilities include, but are not limited to:

(A) **Duty to Protect the Reputation of the Village.** It is the duty of every employee to uphold and protect the good reputation of the Village and his or her fellow workers.

(B) **Duty to Obey the Law.** It is the responsibility of every employee to obey the law in the execution of his or her duties. Ignorance of the law or a particular regulation may not be considered an excuse for committing a violation or oversight.

(C) **Duty to Comply with Village Policies.** It is the responsibility of every employee to comply with all Village policies.

(D) **Conflicts of Interest Must be Avoided.** In the broadest sense of the meaning, no employee shall engage in a behavior that may appear to be or give rise to a conflict of interest between him or herself and that employee’s official capacity or duties. Should a conflict of interest arise, the employee involved shall report it in the manner described below.

(E) **Disqualification from Acting on Village Business.** An employee shall disqualify him or herself and shall not act on any matter in which he or she, a member of his or her immediate family, or another employer of the employee has a financial interest.

(F) **Prohibition of Certain Financial Interest or Activity.** No employee, regardless of any prior disclosure, who has a material interest, personally or through a member of his or her immediate family, in any business entity doing or seeking to do business within the Village shall influence or attempt to influence the selection of the business entity or the making of a contract between such business entity and the Village. Employees may not have financial interests in contracts.

(G) **Solicitation of Gifts or Loans is Prohibited.** No employee shall solicit anything of monetary value (even such things which might be returned or repaid) if it would appear to have been solicited with intent of obtaining something in return. Nothing shall prohibit contributions of gifts including political contributions, which are reported in accordance with applicable law or which are accepted on behalf of the Village.

(H) **Gifts in Excess of the \$300 Annual Gift Limitation Amount are Prohibited.** No employee or family member of an employee shall accept gifts that exceed an aggregate value of the adjusted annual gift limitation amount in accordance with Government Code in any **twelve (12) consecutive months** from an individual or entity that is doing business with the Village.

(I) **Improper Disclosure of Privileged, Personal or Confidential Information.** Unless expressly authorized, no employee shall intentionally disclose privileged, personal or confidential information obtained as a result of, or in connection with, his or her employment with the Village for any purpose. Privileged, personal or confidential information does not include information that is a matter of public knowledge or that is available to the public on request. Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state and federal constitutions as well as labor or other applicable laws.

(J) **Improper Using One’s Village Employment.** No employee shall use or permit the use of any Village assets for a non-Village purpose that is for the private benefit of the employee or any other person unless available on equal terms to the general public.

(K) **Improper Influence.** No employee, except in the course of his or her official duties, shall assist any person in any transaction with the Village when such employee’s assistance would appear to a reasonable person to be enhanced by that employee’s position with the Village for their own personal benefit. This subsection shall not apply to any employee appearing on his own behalf or

representing himself as to any matter in which he has a proprietary interest, if not otherwise prohibited by law.

(L) **Duty to Identify, Report and Work to Eliminate Fraud, Waste and Abuse.** It is the responsibility and duty of every employee to identify, report and work to eliminate fraud, waste and abuse at all levels of the Village administration and operations. Employees are encouraged to bring to the attention of management any opportunity to reduce or eliminate fraud, waste and abuse.

(M) **Duty to Cooperate.** It is the duty of every employee to cooperate in an investigation involving a violation or an alleged violation of this policy. Upon the Village's request, an employee will participate and fully cooperate in any investigation. This policy does not preclude an employee from exercising his or her Constitutional rights or those afforded to him or her by a Village recognized labor contract. However, the exercising of one's rights does not preclude Village from disciplining an employee for his or her failure to participate or cooperate in an investigation if the Village may lawfully do so.

(N) **Handling of Anonymous Complaints or Allegations of Violations of this Policy.** Employees are prohibited from attempting to identify or intentionally exposing the identity of any party making an anonymous report or complaint pursuant to this policy.

22-10-6 REPORTING. Employees are expected to report all violations or suspected violations of this policy to management in a timely and professional manner. The Village recognizes that the reporting party may desire or require anonymity. Thus, anonymous reports or concerns may be reported by any party to the Village President or the Village Trustees. It is the duty of every employee to report any known violation of this policy or what would appear to a reasonable person to be a violation of this policy. Employees are reminded that they may report anonymously any actions that detract from the efficiency and effectiveness of Village operations include, but not limited to, fraud, waste, abuse, ethics violations, retaliation, discrimination and safety violations. It is a violation of this policy to retaliate against an employee who makes a report anonymously under Illinois Labor Code. The Illinois State Attorney General's Whistleblower Hotline number is (888) 814-4646.

22-10-7 INVESTIGATION AND ENFORCEMENT. All violations or alleged violations of this policy will be investigated. As stated above, it is the duty of every employee to cooperate in an investigation involving a violation or an alleged violation of this policy. Upon the request of the Village, an employee will participate and fully cooperate in any investigation, whether conducted by the Village or its agent(s). If as a result of good faith investigation and a resultant reasonable conclusion that a violation of this policy has occurred, the offending employee may be subject to disciplinary action up to and including termination.

ARTICLE XI – WHISTLEBLOWER PROTECTION POLICY

22-11-1 PURPOSE. The Village provides whistleblower protections in two important areas: confidentiality and against retaliation. The confidentiality of a whistleblower will be maintained to the extent allowable by law, however, an identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. A whistleblower may also waive confidentiality in writing. The Village will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes they are being retaliated against must submit a written report to the Auditing Official within **sixty (60) days** of gaining knowledge of the retaliatory action. The right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

22-11-2 DEFINITIONS.
 (A) **Whistleblower** means an employee, as defined in this Section, of the Village who:

- (1) reports an improper governmental action as defined under **50 ILCS 105/4.1** (hereinafter Section 4.1);
- (2) cooperates with an investigation by an Auditing Official related to a report of improper governmental action; or,
- (3) testifies in a proceeding or prosecution arising out of an improper governmental action.

(B) **Auditing Official** means any elected, appointed or employed individual, by whatever name, in the Village whose duties may include receiving, registering, and investigating complaints and information concerning misconduct, inefficiency and waste within the Village; investigating the performance of officers, employees, functions and programs; and promoting economy, efficiency, effectiveness and integrity in the administration of the programs and operations of the Village.

The Auditing Official shall be the Mayor until replaced by the Village.

(C) **Employee** means anyone employed by the Village, whether in a permanent or temporary position, including full-time, part-time, and intermittent workers. Employee also includes members of appointed boards or commissions, whether paid or unpaid. Employee also includes persons who have been terminated because of any report or complaint submitted under Section 4.1.

(D) **Improper governmental action** means any action by an employee of the Village; an appointed member of a board, commission, or committee; or an elected official of the Village that is undertaken in violation of a federal or state law or local ordinance; is an abuse of authority; violates the public’s trust or expectation of their conduct; is of substantial and specific danger to the public’s health or safety; or is a gross waste of public funds. The action need not be within the scope of the employee’s, elected official’s, board member’s, commission member’s or committee member’s official duties to be subject to claim of “improper governmental action.”

- (1) Improper governmental action does not include the Village’s personnel actions, including, but not limited to employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, reemployment, performance evaluations, reductions in pay, dismissals, suspensions, demotions, reprimands, or violations of collective bargaining agreements, except to the extent that the action amounts to retaliation.

(E) **Retaliate, retaliation or retaliatory action** means any adverse change in an employee’s employment status or the terms and conditions of employment that results from an employee’s protected activity under Section 4.1. Retaliatory action includes, but is not limited to, denial of adequate staff to perform duties; frequent staff changes; frequent and undesirable office changes; refusal to assign meaningful work; unsubstantial letters of reprimand or unsatisfactory performance

evaluations; demotion; reduction in pay; denial of promotion; transfer or reassignment; suspension or dismissal; or other disciplinary action made because of an employee's protected activity under Section 4.1.

22-11-3 DUTIES OF AN AUDITING OFFICIAL. Each Auditing Official shall establish written processes and procedures consistent with the terms of this policy and best practices for investigations for managing complaints filed under Section 4.1. Each Auditing Official shall investigate and dispose of reports of improper governmental action in accordance with these processes and procedures, and all other provisions of Section 4.1.

The Auditing Official must provide each employee a written summary or a complete copy of Section 4.1 upon commencement of employment and at least once each year of employment. At the same time, the employee shall also receive a copy of the written processes and procedures for reporting improper governmental actions from the applicable Auditing Official.

Auditing Officials may reinstate, reimburse for lost wages or expenses incurred, promote, or provide some other form of restitution.

In instances where an Auditing Official determines that restitution will not suffice, the Auditing Official may make their investigation findings available for the purposes of aiding in that employee's, or the employee's attorney's, effort to make the employee whole.

Auditing Officials are responsible for reading the full context of Section 4.1 and complying with all requirements.

22-11-4 DUTIES OF AN EMPLOYEE. All reports of illegal and dishonest activities will be promptly submitted to the Auditing Official who is responsible for investigating and coordinating corrective action.

If an employee has knowledge of, or a concern of, improper governmental action, the employee shall make a written report of the activity to the Auditing Official. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to discipline up to and including termination.

The whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; a designated Auditing Official is charged with these responsibilities.

22-11-5 DEFEND TRADE SECRETS ACT (18 U.S.C. § 1836) COMPLIANCE. Section 7(b): "Immunity from Liability for Confidential Disclosure of a Trade Secret to the Government or in a Court Filing:

(A) **Immunity.** An individual shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that (1) is made (a) in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney; and, (b) solely for the purpose of reporting or investigating a suspected violation of law; or, (2) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

(B) **Use of Trade Secret Information in Anti-Retaliation Lawsuit.** An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual (1) files any document containing the trade secret under seal; and (2) does not disclose the trade secret, except pursuant to court order."

22-11-6 EMPLOYEE ACKNOWLEDGEMENT. Employees are required to sign a written acknowledgement that they have received, read, and understand this Policy, and to submit that acknowledgement to the Auditing Official or other designated official of the Village. The form that follows on **Addendum "A"** will satisfy this requirement upon receipt.
